

Certainly You Are Right.

Fairbrother's Everything.
The editor of the Lenoir News looks out on this beautiful world and throws his soul away like this:

Half the joy of life comes from getting good out of things as we go along. Some of us are always putting off our enjoyments. After a while we expect to take a rest, see a friend, read a book. But after a while never comes, the good time we are looking forward to lies as far away as ever. All our life is spent in meaning to overtake it and enjoy it. Meanwhile we toil, drudge, and grow old, passing by with unselfish eye the happiness we might get out of every day.

That is the dope "Some day when I get time" is the old old story. We have tried to do just what the News says one should do. We have knocked off and gone fishing; we have gone to visit friends, we have paid the social call; we have read the books and loaded around with our brothers, and feel that we have a right to do so. We have closed up shop on two occasions and taken a whole year for rest and recreation—and we have gone into our off countries to fight Boodle Bugs—and the News found its way to our abode.

There is nothing much to get out of life by toiling all the time. There is much happiness in the world. The man who thinks he should pile up more dirty dollars than he actually needs is on a false trail. He is looking for happiness and getting farther away from it every day.

The News has doped it correctly. The thing to do is to each day extract some real pleasure from life. Let the drudgery come—but make it a point to take a little time each day for contentment and happiness. Those two things are for us all, but we must not nurse a grouch or become avenging for if we do there is nothing doing.

Good For Colds.

Honey, Pine-Tar and Glycerine are recognized cold remedies. In Dr. Bell's Pine-Tar-Honey they are combined with other cough medicine in a pleasant syrup. Dr. Bell's Pine-Tar-Honey quickly stops your cough, checks your cold, soothes irritation of the throat. Excellent for children and adults. It's one of the best cough syrups made. Get a bottle. You know just what you are taking and your doctor knows its good for coughs and colds. Insist on Dr. Bell's Pine-Tar-Honey. Only 25c. at Druggists.

The growing good of the world is partly dependent on unhistorical things and that things are not such with you and me as they might have been is half owing to the number who lived faithfully in olden life and rest in unvisited graves.—George Eliot.

Why Constipation Injures.

The bowels are the natural sewerage system of the body. When they become obstructed by constipation a part of the poisonous matter which they should carry off is absorbed into the system, making you feel dull and stupid, and interfering with the digestion and assimilation of food. This condition is quickly relieved by Chamberlain's Tablets. Obtainable everywhere.

Friendship, of itself a holy tie, is made more sacred by adversity.—Dryde.

TOMORROW.

Perhaps there'll be sunshine tomorrow; today things are dismal and grim; my cup and my saucer of sorrow are bitter and full to the brim. What comfort a fellow can borrow, when life seemed depressed and gray, by betting his hat that tomorrow will be quite a change from today. Today it is sloppy and muddy, today there is water to burn; and I'm grousing here in my study, and using such language as "d u r n." The rain it is sobbing and swishing, the wind maunders by with a moan; and I, who had planned to go fishing look out at the climate and groan I weep as I empty the chalice of bitterness, down to its dregs; for if I went fishing, with malice rheumatics would camp in my legs. But there will be sunshine tomorrow, the skies will be glittering blue. There's nothing so transient as sorrow, when once we remark to it "Shoo!"—Walt Mason in News and Observer.

Insomnia.

Intoxication nearly always disturbs the sleep more or less, and is often the cause of insomnia. Eat a light supper, with little if any meat, and no milk; also take one of Chamberlain's Tablets immediately after supper, and see if you do not rest much better. Obtainable everywhere.

The mind of man is improved by learning and reflection. We place a happy life in tranquility of mind.—Cicero.

Protect School Children.

Measels, scarlet fever and whooping cough are prevalent among school children in many cities. A common cold should never be neglected as it weakens the system so that it is not in condition to throw off more serious diseases. Foley Honey and Tar is pleasant to take, acts quickly, contains no opiate. M. B. Blackburn.

The martyr cannot be dishonest, every lash inflicted is a tongue of flame, every prison a more illustrious abode.—Emerson.

It goes a great way toward making a man faithful to let him know that you think him so.—Seneca.

Taken With Croup.

"A few nights ago one of my patrons had a child taken with croup," writes M. T. Davis, merchant Bearsville, West Va. "About midnight he came to my store and bought a bottle of Foley and Tar Compound. Before morning the child was entirely recovered." Many such letters have been written. M. B. Blackburn.

Information for Women.

Housework is trying on health and strength. Women are as inclined to kidney and bladder trouble as men. Aching back, stiff, sore joints and muscles, blurred vision, puffiness under eyes, should be given prompt attention. Foley Kidney Pills restore healthy action to irritated kidneys and bladder.

No man is more miserable than he that hath no adversity.—Taylor.

Safe Medicine for Children.

"Is it safe?" is the first question to be considered when buying cough medicine for children. Chamberlain's Cough Remedy has long been a favorite with mothers of young children as it contains no opium or other narcotic and may be given to a child as confidently as to an adult. It is pleasant to take, too, which is of great importance when a medicine must be given to young children. This remedy is most efficient in relieving coughs, colds, and croup. Obtainable everywhere.

To be 70 years young is sometimes far more cheerful and hopeful than to be 40 years old.—Holmes.

His Age Is Against Him.

"I am 52 years old and have been troubled with kidneys and bladder for a good many years," writes Arthur Jones, Allen, Kans. "My age is against me to ever get cured, but Foley Kidney Pills do me more good than anything I have tried. 'Rheumatism, aching back, shooting pains, a stiff joint, irregular action, all have been relieved.' M. B. Blackburn.

It is right for him who asks forgiveness for his offenses to grant it to others.—Horace.

First Rule of Good Health:

All schools of medicine agree that it is necessary to keep the bowels open and regular if one wishes to enjoy good health. Indigestion poisons the system and invites disease. Foley Cathartic Tablets cleanse the bowels without griping or nausea, banish bloating, sweeten the stomach and invigorate the liver. M. B. Blackburn.

He who weighs his burdens can bear them.—Martial.

Pills Best for Liver.

Because they contain the best liver medicine, no matter how bitter and nauseating for the sweet sugar coating hides the taste. Dr. King's New Life Pills contain ingredients that put the liver working move the bowels freely. No griping, no nausea, aid digestion. Just try a bottle of Dr. King's New Life Pills and notice how much better you feel. 25c. at druggists.
